For the group photo, the space between Courts 1 and 2 will be the centre of the photo. Please position yourself on either side of this space, elbow distance apart. When lining up stand in behind people’s shoulders rather than behind a person’s head, so your face is visible. The photo will be taken from the balcony. Make sure you can see the camera from where you are standing because if you can’t see the camera then the camera can’t see you!

Many thanks for your co-operation and support.

Rosemarie

100 Faces representing 100 Years

Below is the year assigned to each player.

At registration each player will be given a sticker with their year on it. Please wear this sticker during the event.

During the breaks please find other people from your decade if possible and introduce yourself. Then tell them two things about Templeogue or tennis or yourself relevant to your year or decade. Enjoy!
